

Hi All,

We are drawing closer to camp and we are so excited to have you for our 2022 Summer Camp Season!

Parking and Relevant Locations

- Parking passes will be available for purchase for \$10 CASH ONLY. If you do not obtain a pass, you will assume the risk of getting a ticket and it will not be covered by Clemson Volleyball. Parking passes are necessary for spectators as well as overnight campers who are driving themselves. Passes will be available for purchase at registration.
- We will provide you with locations where you can park cars, small buses, and vans during camp.
- Camp will be held at one location for the entirety of the three days:

T. Ed Garrison Arena:

For DAY ONE (Friday, July 22nd) of camp, parking services will ticket until 4:30PM. We will require all vehicles to be parked at Jervy Gym and will provide transportation for coaches and any athlete that needs a ride back to the dorms via golf cart. Once day one is over, vehicles can park directly behind the dorm.

Commuter Check In

Commuter teams will check in and out each day at T. Ed Garrison Arena.

Meals

Meals will be provided while the athletes are at camp. Meals will be held at McCallister cafeteria on campus. We will provide the following meals for campers:

Overnight: Breakfast (2), Lunch (1) and Dinner (2)

Commuter: Lunch (1), Dinner (2)

We will have snacks and drinks available for purchase at our camp store as well. Camp store will be CASH ONLY. Athletes will also have the ability to purchase pizza in the evening (after the last session of the night) for \$20 dollars- cash only.

Bus Schedule

Teams will be split into groups for the duration of camp. There will be three groups: orange, purple, and white. These groups will determine your schedule for check in, court assignment, and check out. Most importantly these groups will help us organize bus transport to and from the facility back to the dorms and cafeteria. Please be mindful of what group you are in so we can keep everyone organized and accounted for.

For commuter campers, you will arrive each day at T. Ed Garrison Arena and be transported by bus throughout the day. There is an abundance of parking available at the arena that your parking pass will cover.

Wave Schedule

A week prior to camp, you will receive a camp schedule as well as our team camp wave schedule. This will determine check in and out time, court assignments, and bus schedule.
